Joerg Stimmer

Scrum Master, Dev-Lead

+49-172-8 24 74 36

joerg.stimmer@plixos.com

We ...

- ✓ take over interim roles as: Product Owner, Scrum Master, and Dev-Lead
- ✓ create your development team, optionally with offshore/nearshore locations
- ✓ setup the cloud environment for your solution and support its operations
- ✓ jointly establish an agile/lean mindset including corresponding procedures

If wanted, ...

- ✓ together we evolve your strategic orientation
- ✓ support you in architecture and technology design
- ✓ train you in product management and in creating a scalable agile organisation

Your benefits ...

- ✓ you focus on your ideas and your business model
- ✓ you receive a professional realization of your ideas – in quality, time and budget
- ✓ our lean/agile mindset supports your start-up mentality and your commercial success

Why us?

- ✓ combined expertise in product management, development, and operations
- ✓ founders with experience in digital business models and numerous industries
